

NEETIL SAHU

Indore, Madhya Pradesh, India | +91 76977 91656 | neetilwork@gmail.com | linkedin.com/in/neetilsahu | neetil.in

Computer Science undergraduate with hands-on full-stack engineering experience across React/Next.js, Node.js shipping production platforms with CDN-backed infrastructure and real-time (WebRTC/Socket.IO) systems.

EDUCATION

Medicaps University, Indore, India

Aug 2023 - May 2027

B.Tech, Computer Science - currently 3rd year; CGPA 8.3 / 10

- **Relevant coursework:** Data Structures & Algorithms, Database Management, Software Engineering, Machine Learning

TECHNICAL SKILLS

Languages	C++, JavaScript
Frameworks / Libraries	React, Next.js, Node.js, Express.js
Real-Time & Networking	WebRTC, Socket.IO, REST APIs
Tools	Git, GitHub, Cursor

EXPERIENCE

Avotech Systems - Full Stack Intern

Pune, India | Jun 2026 - Present

- Designed and implemented responsive web applications for client projects, translating cross-functional requirements into efficient, scalable, user-friendly solutions.
- Worked with cross-functional teams to translate client requirements into efficient, scalable and user-friendly software solutions

Medicaps Physics & Astronomy Club

Indore, India | Aug 2024 - Feb 2026

Treasurer

Sep 2025 - Feb 2026

- Managed the annual club budget, expense tracking and financial planning to ensure transparent, efficient fund allocation.

Media Head

Aug 2024 - Aug 2025

- Led content production for club events and managed social media platforms, increasing online visibility through consistent content planning.

AIIESEC - Junior Manager, iGTa/e Department (GB)

Indore, India | Aug 2024 - Jan 2025

- Managed international coordination meetings to facilitate global exchange and internship opportunities, and supported candidate screening and onboarding.
- Contributed to exchange targets through structured follow-ups and CRM tracking.

PROJECTS

Physics and Astronomy Club - Platform

Next.js · React · Node.js · RESTful API · Cloudflare R2

- Built a production club-management platform with **30+ React components** and **23 RESTful API endpoints**, covering **event registration, content management** and **member engagement**.
- Integrated an **AI assistant** providing instant answers to queries about club events, activities, registration, and astronomy topics.
- Developed an admin dashboard with **10+ management modules** (events, registrations, gallery, team, statistics, newsletter), enabling non-technical content control without code deployments.
- Integrated **Cloudflare R2** (CDN-backed image storage), the **Instagram API** (live social feed) and an **email newsletter system** with Excel export for **100+ subscribers management**.
- Applied security best practices (bcrypt hashing, IP-based rate limiting, input validation, CSRF protection), reaching zero security incidents in production.

Campus Vibe - Anonymous Real-Time Chat Platform

Next.js · React · Node.js · Socket.IO · WebRTC · Shadcn/UI ·

- Built a production **real-time** platform combining anonymous text and video chat with zero authentication, using a full **P2P WebRTC** pipeline (**ICE** exchange, **STUN/TURN** integration).
- Designed a **Socket.IO** matching layer using Map-based queues for O(1) partner lookup, enabling sub-second pairing and message delivery.

Color Picker - Browser Extension

JavaScript · HTML5 · CSS3 · Chrome Extension (Manifest V3) · EyeDropper API

- Built a Manifest V3 browser extension, using the **EyeDropper** and **Chrome Storage APIs**, for sampling colors from any webpage and persisting the last-used color across sessions.
- Implemented client-side color conversion (HEX - RGB - HSL) conversion and **Clipboard API** for instant copy in multiple formats
